

## 2020-21 All-MAIS Basketball Teams Announced

**\*\*\* GIRLS & BOYS – ALL CLASSES \*\*\***

TO: Athletic Directors, Basketball Coaches & Fans  
FROM: Les Triplett, Director of Activities  
DATE: April 5, 2021

Attached you will find the “All-MAIS” Basketball Teams for the 2020-21 season. All 5 girls’ teams are included along with all 5 boys’ teams. Each classification, both girls and boys, has a “Player of the Year” along with 7 other players that make up the “All-MAIS Team” for their classification. The Selection Committees were broken into each classification using the following positions:

- 1) Basketball Committee Members
- 2) All-Star Coaches
- 3) Class and Overall Championship & Runner-Up Coaches
- 4) At-Large Members (where needed)

This is a good cross section of coaches that have knowledge of the players within their class. Plaques will be sent sometime the week of April 26 to each school that has a player(s). In order to get the plaques out on that date, we are giving member schools all of this week (including Saturday and Sunday) to look over and send in corrections.

It is extremely important to **check for the accuracy on each of your players** and if you find any mistakes, please text me ASAP!!! If everything is correct, there is no need to communicate with us. I will be sending the names for the plaques to Tally Trophies and Awards on Monday morning, April 19, so corrections should be sent in no later than that Monday morning (before 10:00 a.m.). Thanks for your cooperation.
