By MAIS rule, the results of all regional track meets in Classes 2A-5A have been certified as final.

Field pairings and lane assignments for each class have been posted on the MAIS Post Office page.

If you have any questions about this weekend's meet, don't hesitate to contact our office. As we look forward to this weekend, it looks like we all need to prepare to deal with rain on and off. Like any other outdoor sport, we won't compete if lightning is an issue. We may, however, have to compete in the rain when lightning is not an issue. We encourage everyone to bring rain gear. For those throwing the shot, throwing the discus, or pole vaulting, we encourage you to bring extra towels.

God Bless
