

Special Thanks To Everyone Helping With Overall Track Meet

May 6, 2024

To: Canton Academy, Jackson Academy, Jackson Prep, All Workers

From: David Drake, Associate Director of Activities & Technology

Ref: Overall Track Meet

The MAIS Family is extremely grateful to all of the member schools that lend us their facilities each year in order to host regional and class championships. Most recently Ben Williams and his staff at Canton, Brandt Walker and his staff at Jackson Academy, and Will Crosby and his staff at Jackson Prep provided their facilities so that we could provide our member schools with a quality Overall Track Meet.

In addition, we also want to thank each of the coaches that helped us run off field events and running events. Over the two day event we had well over 50 coaches helping to make this a special event for our athletes. We obviously could not put on such a quality event without you.

God Bless
