## Instructions on voting for the Farm Bureau Team of the Week:

1. Click on the Farm Bureau Logo - it will take you *DIRECTLY* to the form to vote.
2. When you arrive at the form to vote, either mark one school from a list of games our committee felt deserved to be considered **OR** “write-in” a team. All write-in teams must have won their game.
3. You may *NOT* vote/write-in for more than one team. Any form that answers both questions 1 & 2 will have their ballot thrown out.
